At the Links Camping and Caravan Park we offer you the seclusion of the countryside with the facilities of a small seaside resort surrounded by many market towns. We are situated just 5 minutes walk from the village and 10 minutes walk from the beach and its excellent amenities.

Our small site has a capacity for 32 caravans with electrical hook up and 25 tents, and as we are not situated near any main roads you can relax, taking in the superb and perhaps unequalled southern views of rural North Norfolk or you can hike around the beautiful countryside.

Mundesley has a lot to offer all age groups, adjacent to our Caravan Park you will find the Mundesley Golf Links Club with its excellent scenery, its possibly the best course in Norfolk, offering day rates for visitors.

Also a few minutes walk from the site we have a small well stocked lake for course fishing, its idyllic for the quiet days fishing. Permits are available from the Site Warden.

A friendly welcome is extended to all, Mundesley boasts a superb, clean and sandy beach of which we are very proud and, in season, there is a lifeguard that keeps a watchful eye upon all.

There is also a beach café situated on the promenade with toilet facilities and shop. To the south of the beach you will find the Mundesley Volunteer Inshore Lifeboat Station. There is also the smallest maritime museum in North Norfolk sited at the old coast guard lookout tower at the top of the cliff top. In the village itself, we have an array of shops including Post Office, Pubs, Chemist, Tourist Information Centre plus local grocery shops.

Cromer, famous for Cromer Crabs is just 8 miles away, historic Norwich is 23 miles, Great Yarmouth 30 miles and the Norfolk Broads (Wroxham) is approx 12 miles away.
